

Teaching with Typos

Introduction

EXIT 2 MILES

This is not a story about a \$1,200 mistake.
This is partly the story of a \$1,200 "goof" that changed the future.

And some cupcakes. Those darn "lost keys."

Three-letter-"organizations."

And yes, by totally and completely, non-contractual
obligation, it also features this number:

84/2.

(Although in *reality*, it quite maybe just take 41
intentionally-left blank pages "to be a clue.")
